PRECHOOL

Preschool Power!	Language on the Move	Math Magic
<p>PLAY is a child's work. Channel all your child's energy this summer to lots of <b>creative and multi-sensorial explorations and stimulations</b>. Through effective and fun yet activities, the child will explode into <b>language, math, scientific skills and various reality-based discoveries</b>. Allow your child to master his motor skills, manage his emotions and learn to interact with others with love and respect. This is definitely a brain-boosting, esteem-building and character-shaper suitable for the preschool child. Have you ever witnessed terrific 2 year old tots care for older preschool age kids? That is Preschool Power at work!</p>	<p>A special Language Training Program most suitable for the energetic preschool child. Following brain-based techniques and tried and tested scientifically proven tricks, the child will learn how to read English words, phrases and sentences. Spoken Language training and expression is also presented. This involves a musical, physical, entertaining and lively lesson series with memory enhancing skills.</p>	<p>This is much better than the typical Math Programs. Preppi presents the magic in math that will unlock the appreciation of the child to the wonders and necessity of math in practical daily living. Make math work in your child's life through <b>experiential learning. The use of manipulatives concretize abstract concepts</b>. These Math Series will allow the child to <b>grasp the concept, articulate it and develop the fluency</b>. The child will not be drowned in drills but will have enthusiastic exercises that will hone the math skills through practical play and work.</p>
<p>Truth Therapy presents <b>Listen and Obey, Care to Control, and Manner and Muscles</b> series of <b>VALUE</b>-laden games.</p>	<p><b>Truths are better than Tales, Sense and Significant Stories</b> are presented.</p>	<p>Exercises on <b>Math Memory Muscles, High Order Thinking and practical problem-solving</b> skills through play and practice.</p>
<p><b>ARTrageous Antics, Musical Movements and True Tales</b> that boost EQ are featured daily.</p>	<p>Vocabulary building, language training, reading, comprehension, analytical thinking and will be taught.</p>	<p>Definitely, Math at your finger tips.</p>
<p>Min of 10 sessions</p>		
<p>Max. of 40 sessions</p>		
<p><b>Choose the number of sessions</b> you care to enroll your child.</p>		
<p>An <b>Assessment</b> on your child has to be made and the Preppi Consultant will customize the training for your child.</p>		
<p><b>Choose the Training Track</b> for your child. This will be presented by the Preppi Consultant upon Enrollment and Post- Assessment Parent Discussion.</p>		
<p><b>Discuss the Training Track and 1-2 Areas</b> you want your child to achieve for the summer.</p>
