

Math Magic

For the child who needs to learn math concepts in a concrete way, develop mental math muscles and logical thinking

For ages 3 to 6 years old

1 hour per session • Daily Sessions (M – F)

This is much better than the typical Math Programs. Preppi presents the magic in math that will unlock the appreciation of the child to the wonders and necessity of math in practical daily living. Make math work in your child's life through **experiential learning. The use of manipulatives concretize abstract concepts.**

These Math Series will allow the child to **grasp the concept, articulate it and develop the fluency.** The child will not be drowned in drills but will have enthusiastic exercises that will hone the math skills through practical play and work.

Exercises on **Math Memory Muscles, High Order Thinking and practical Problem-solving** skills through play and practice.

Definitely, Math at your fingertips.
