

## Read to Lead

*For the child destined to be a leader, the habit of reading leads to thought leadership before positive action springs forth*

**For ages 7 to 12 years old**

**1 hour per session • Daily Sessions (M – F)  
Choose the Time Slot between 9 – 12 noon**

This Reading Program is customized to meet the need of your child. Each lesson presented is something well-planned to provide steps to the child's success. More than learning how to read with ease, confidence, comprehension and fluency, this Reading Program **develops love for reading and life inspiration.** Equip your child with this powerful tool for learning because the bulk of studying requires lots of reading. Ideal for the child enrolled in other schools who needs to develop reading skills or the love of it.

This Special Reading Program **Rages with Reality Reading: Truths better than Tales and Facts over Fiction** that boost emotional and brain development..

Impressionable at their young age, real quality books (not text books) offer a wealth of inspiration and knowledge that stir the imagination to new interests and innovations.
