

Admission Process

Call to inquire and schedule a visit to Preppi School.

Bring your child for a personal tour of Preppi School. A free hands-on demonstration and exploration will be offered to your child while you are presented the Preppi Program.

An assessment may be made at this time or set for another date.

Once you decide to enroll, you will fill up the Enrollment forms and submit the list of requirements.

Children are accepted as they are.

A customized educational plan is prepared to aim for specific targets and goals agreed upon by the parents and Preppi (your parent partner).

The purpose of the Assessment is to know the current developmental state of your child so that we can chart his/her progress.

What you need to bring...
