

## Write Away!

*For the child plagued with the writer's block, this program should break the blahs and barriers so s/he could Write Away!*

**For ages 7 to 12 years old**

**1 hour per session • Daily Sessions (M – F)  
Choose the Time Slot between 9 – 12 noon**

Children have been burdened by writing as they are swamped by tons of rules to remember. By the time you begin to write, energy has been sapped and the blahs and burden have set in.

Learn from the professional writers **how to bust the writer's block and break the burden** This is an adventure in simple yet creative writing that elevates into success as the daily practice of writing is enjoyed by the young writer. The writer learns how to enjoy writing before his readers do. Passion has to be kindled for one can only write when one has something to think and talk about.

**Confidence-building skills, Self-discovery, Imagineering Exercises, and Vocabulary Boosters** will also be presented.

This program will also allow a few minutes of reading and brief discussions to fuel the writer's mind for ideas.
